EverActive C&E®

A powerful antioxidant and peptide serum for
the appearance of radiant, youthful skin.

- 15% Vitamin C
- Boosts Collagen
- Boosts Elastin
- Brightens Skin Tone
- Antioxidant
- Vitamin E boosts vitamin C fourfold
- 100% Fresh on Activation

EverActive C&E®

A powerful antioxidant and peptide serum for the appearance of radiant, youthful skin.

WHY USE VITAMIN C?

- ANTIOXIDANT
- COLLAGEN BOOSTER
- EVENS SKIN TONE
- REPLENISHES LOST VITAMIN C

L-Ascorbic Acid USP

A powerful antioxidant that protects cells from free radical damage caused by the sun and pollution

Tocopherol Acetate USP

A highly moisturising, fat-soluble vitamin that helps protect cell membranes and acts as an antioxidant which strengthens the effect of vitamin C found in collagen and laminins which helps strengthen skin and improve elasticity, reducing the appearance of fine lines and wrinkles

EverActive C&E®

A potent formula containing L-Ascorbic acid, peptides and vitamin E with the vitamin C powder kept in a separate cap keeping the vitamin C optimally active. When you are ready to use, you activate the vitamin C by releasing it into the serum formula ensuring that the complex is ever active.
